Thinking about starting swimming again and coming out of retirement, but haven't taken that final plunge because you feel you're too old? Or are you someone who wants to start swimming for the first time? Well now is your time to train in our Masters swimmers section and join other like-minded people.

YES, you can start swimming at any age! Masters swimming has a minimum age of 18 years.

We welcome adults of all ages and abilities who want to enhance their swimming technique, increase their speed and endurance, and cultivate a love for the sport.

But Master's Swimmers is more than just a workout program. It's a community of individuals who share a passion for swimming and a commitment to achieving their personal best. You'll make new friends, receive encouragement from your fellow swimmers, and enjoy the camaraderie that comes with being part of a team.

So why wait? Sign up for Master's Swimmers today and discover the benefits of swimming for fitness, fun, and friendship!
